

RENT TO A REFUGEE

"I believe the work that LSS/NCA does to help refugees become accustomed to life in the U.S. is vital. As a landlord, LSS/NCA has become a great resource for great tenants, which keeps my vacancy rates low."

~Dontae Hinton, Community Manager of Sky Properties LLC

RENT TO A REFUGEE

War and civil unrest around the world have forced 65 million people from their homes. For more than half a century, LSS/NCA has brought together local organizations and companies to aid in the resettlement of families and children seeking new beginnings on our shores and in our communities.

Last year alone, more than 1,000 refugees found homes in the Washington DC metro area through LSS/NCA. Staff aided refugee parents as they enrolled their children in public school and extra curricular activities; while employment trainings and workshops encouraged refugee adults to find employment, becoming active, thriving members of our neighborhoods and communities.
